Credit Card #: _____

Exp. Date (month and year): ____ / ____

Total Cost: _____

If you are paying by credit card, please fax your completed form to 785-832-3643 to avoid delay. Please call us at 800-472-7878 with questions about the IPM Exam, other Class A requirements or our other online courses. Thank you for your commitment to environmental stewardship and Good Luck!

One requirement for Class A membership in GCSAA (or for renewal of certification status) is to show proof of a valid state pesticide license, *or* to successfully pass GCSAA's IPM exam. This requirement was developed to demonstrate the commitment that golf course superintendents have to environmental stewardship.

Now available online, our IPM exam is 100 multiple choice and true/false questions that test on the basics of pesticide use. When you order the exam, you also get online access to print the two-part study guide, created to help you review the principles involved.

The testing fee is \$40; your access to the online exam will be processed within five business days of receipt by GCSAA and you will have up to one year from your date of purchase to complete the exam. The retake fee is \$25, with two retakes allowed within one year of your initial attempt.

Please call us at 800-472-7878 with any questions you may have.
