Dozens of titles are available as ON DEMAND webcasts. Please visit the education section of the GCSAA website to read more details about those offerings. ON DEMANDS can be ordered online or by using a separate fax back form.

What does it take to host a chapter webcast?

GCSAA now lets chapters take advantage of webcast education. You can join a scheduled live event or select from ON DEMAND webcasts at a flat chapter fee of \$300. With a PC and an Internet connection, a projector and speakers, you bring the expert to your meeting for a known, fixed cost.

After the meeting, you'll return a completed roster to GCSAA Education with each individual's completed evaluation form and we'll award 0.2 education points to each of your members. It really is that easy—email lwick@gcsaa.org with questions or call today.
