

The Not-Too-Boring Basics of Government Worksheet

Look up the branches of government in your state and locality. Learn what they're called, what the members are called (i.e., what their title is: Assemblyman, Representative, Senator, etc.), where you can find them on the web, and how they might impact the issues you're most interested in.

The Three Branches of the **Federal Government** are:

Legislative:

- US House of Representatives (www.house.gov)
- US Senate (www.senate.gov)

Executive: President (www.whitehouse.gov)

Judicial: US Supreme Court (www.supremecourt.gov)

The Three Branches of my **State Government** are:

Legislative: add website(s)

Executive: add website

Judicial: add website

My **Local Government** consists of:

City government: details + website (if applicable)

County government: details + website (if applicable)

Regional government: details + website (if applicable)
