500-Word Statement

I am honored and privileged to be nominated by the Cactus and Pines GCSA for the candidacy for GCSAA Board of Directors. I'm sincerely excited about the prospect of being able to serve our Association in this capacity. Having served on the Board of Directors for the Nebraska GCSA, West Virginia GCSA and Cactus and Pines GCSA has fueled my passion and motivated me for our industry. The experiences of being a member for over 26 years, involvement in the previous mentioned chapters and participation in the GCSAA has prepared me to help grow our profession and industry. I would relish the opportunity to bring the knowledge and experience I have gained to serve the members of the GCSAA.

Our association has made great strides over the years to be and stay at the forefront of our industry. Their commitment to technology, education, advocacy and professionalism are initiatives that I absolutely support. I will work hard towards maintaining and growing these to help keep our association at the forefront of this industry.

In my opinion, it is vital to support programs that are beneficial to our members, such as, the Field Staff representative. This has helped Chapters and the GCSAA to effectively communicate and share information, to aide in the development of programs and to be of assistance our chapters and members to make them stronger.

Serving as a chapter delegate, being involved on committees and task forces has broaden my perspective and added experience to help lead our association into the future. I Have always been committed to serve in organizations to which I belong and by giving back and have found the benefits received far exceed my efforts.

I am grateful to have the support of the Board of Directors, membership and Staff of White Mountain Country Club. I also would like to thank my wife and family for their encouragement and support in running for a position as Director of the GCSAA. I hope to get your support.
