#### 500 WORD STATEMENT

It is an honor to be considered for re-election to the GCSAA Board of Directors for 2024. Over the past three years of board service, I have gained valuable experience, deepened industry relationships, and learned a great deal about our association and how we serve our members. I have learned from the board members I have served with and gained a solid understanding of what it means to succeed in this leadership role.

While serving on 18 committees and task groups throughout my board service, I have learned firsthand the value of all our GCSAA programs and services which benefit our members. To have the opportunity to work with the GCSAA staff, the Board of Directors, and those who serve on committees has been extremely rewarding. I have especially enjoyed being involved in the Equipment Managers and Conference Education committees because of what these groups are able to offer to our members.

I am dedicated to serving, representing, and fostering relationships within our industry -- and it has been a distinct privilege to do so in a national Director capacity over the past three years.

Through the positions I have held with the Connecticut Association of Golf Course Superintendents (CAGCS) for 13 years, as well as my involvement to date with GCSAA, I have continued my growth as a well-rounded industry leader. If I am re-elected to a GCSAA Board position, my core objectives would remain the same throughout my board service — to represent our industry by sharing our story and to bring our members together.

I am incredibly grateful to be nominated by CAGCS President Scott Ramsay, CGCS, and I genuinely appreciate all I have learned from my fellow GCSAA Board members over the years. I have complete confidence in my ability to continue to serve and represent our industry on a national level, and I will make every effort to earn Delegates' trust and support.

Respectfully,  
Marc Weston, CGCS

Re: Marc Weston, CGCS — GCSAA Board of Directors 2024 Nomination for Candidacy

Dear Nominating Committee,

It is with great pride, as President of the Connecticut Association of Golf Course Superintendents (CAGCS), as a representative of the CAGCS Board, and on behalf of all of our members, to write this nomination letter for Marc Weston, CGCS. We fully believe Marc would again be an outstanding candidate for the 2024 GCSAA National Board of Directors position. Please accept this letter as my official nomination.

Marc has been an active board member of CAGCS since 2009 and completed his final term as Past President in 2021. Marc was instrumental in community outreach programs and government relations, and he was vital in solidifying key relationships with allied associations over the years — supporting all aspects of golf across the state. He has served as a Board member of the First Tee of Connecticut and the Connecticut State Golf Association Board during his board tenure. Also, he is a two-time chapter winner of the GCSAA/*Golf Digest* Environmental Leaders in Golf Award and won the GCSAA Grassroots Ambassador Leadership Award in January 2021.

Marc has been actively involved with GCSAA since 2015. He currently serves as the Chair of the Assistant Task Group, Conference Education Task Group, First Green Task Group and Vice Chair of the Technology Task Group. Marc has served on 18 committees during his board service and is a significant supporter of Rounds for Research and has participated for several years at National Golf Day. It is evident that his dedication is his strongest attribute. When Marc decides to pursue and accomplish something, nothing will prevent him from reaching his goals and serving our industry.

Thank you again for considering Marc Weston, CGCS, to be part of the 2024 GCSAA Board of Directors list of candidates for the upcoming election process.

Sincerely,

***Scott Ramsay, CGCS***
