

# Your GCSAA Chapter Is Here To Benefit You!

The Golf Course Superintendents Association of America (GCSAA) has 98 affiliated chapters throughout the United States and is here to assist you in maximizing your individual and team potential through a variety of offerings. **The purpose of our chapters is to promote turf management as it pertains to your specific region.** Get involved with your local GCSAA chapter and discover all the great opportunities provided. Some of these include:

## Networking

Our chapters provide ample opportunities for you to network and meet your professional peers. Often in an informal setting, chapter meetings and events give you the chance to share information, solve problems and learn more about the local golf course industry.

## Education

As the demands and technical aspects of the superintendent profession are rapidly changing, continuing education is imperative for the success of your career. Chapters provide a wide array of educational opportunities to help keep you on top of the changes taking place in your area.

## Employment

Many of our chapters offer assistance to those who might have lost a job or are looking for advancement in their career.

## Golf Events

Golf events give the opportunity for you to make professional acquaintances in the industry. Playing golf at your local courses helps stimulate discussions and sharing of ideas amongst your peers.

## Up-To-Date-News

Chapters have a variety of communication tools to help keep chapter members apprised of happenings within their region and provide superintendent work tips.
