

## Maintaining all of the equipment required to run your golf course requires a lot of batteries.

With our top rated line of battery solutions, we can ensure your equipment power never leaves you in the rough. From expert guidance in selecting the best battery for the job, to the ever important work of testing and maintaining your batteries, let Batteries Plus take the lead. We also offer lighting solutions for your clubhouse, office or pro shop and can partner with you to upgrade your lighting to a more energy-efficient, cost-effective option. Plus, we can create a custom program to support your key cutting needs. Contact us today to find out just how much we can do for your business.

### SLA & SLI Batteries

Choose the right battery based on the type of lawn care equipment and golf cart.

### Rechargeable Batteries

Keep two way radios and cordless tools powered and ready for use.

### Lighting

Choose lighting based on the size and usage of your space.

### Device Repair

Repair for broken phone & tablet screens, faulty ports, cameras & more

## APPLICATIONS

### Alkaline Batteries

- Touchless Toilets
- Auto Air Freshener Dispensers
- Flushometers

### Lighting

- LED T8 Tubes
- Flourescent Tubes
- Ballasts
- Decorative LEDs

### Alkaline Batteries

- Sensor Faucets
- Auto Soap & Towel Dispensers
- Auto Hand Dryers
- Auto Hand Sanitizer Dispensers

### Rechargeable Batteries

- Two Way Radios
- Cordless Tools

### Lighting

- Downlights
- Troffers
- Panels
- Ubends

### SLA & SLI Batteries

- Golf Carts
- Lawn Equipment
