# Congress is contemplating new voting procedures during the COVID-19 outbreak

## Current procedures

### Unanimous consent

- All members agree to a motion without voting
- One member can block the motion

### Roll call voting

- Each member must enter the chamber and verbally or physically announce their vote
- All Senate votes take place this way

### Vote by electronic device - only in House

- Members insert a card into devices located throughout the chamber and then press a button to vote

## Changes proposed

### Vote by proxy

- A member of Congress allows another member to vote for them in their absence
- Currently allowed in Senate committee votes

### Remote voting

- Voting online or by phone from any location

### Extended voting periods

- Elongating the time allowed for voting to reduce crowding in the chambers

### Raising unanimous consent threshold

- Requiring more than one member to object for a UC motion to be blocked
