

After Cut Appearance Picture

CTEM Attesting Process

To be scored on the After Cut Appearance (ACA) of the turf at your facility, you must submit two pictures of each of the following areas:

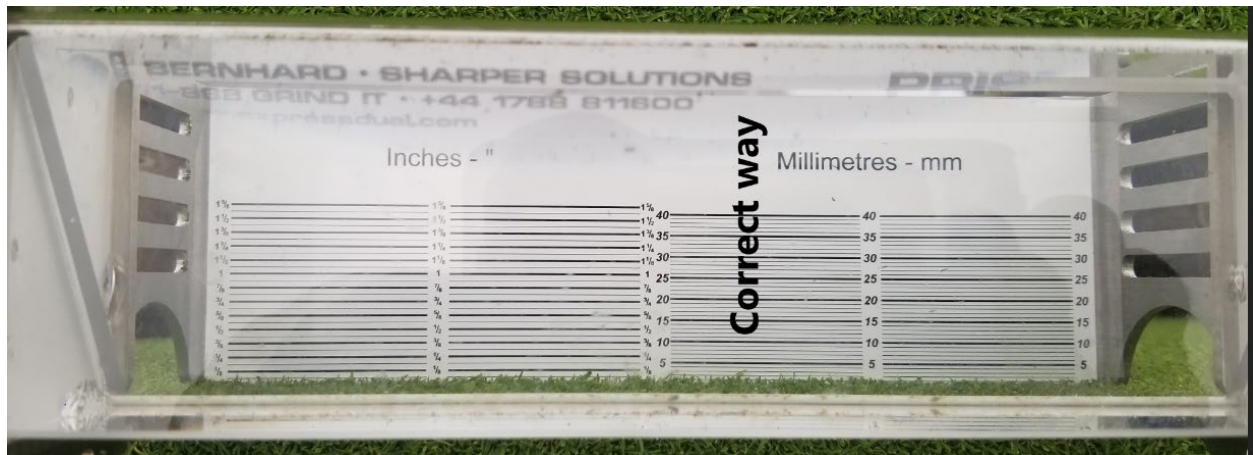

- Greens
- Approaches
- Tees
- Fairways
- Rough

You will submit a total of ten (10) photos.

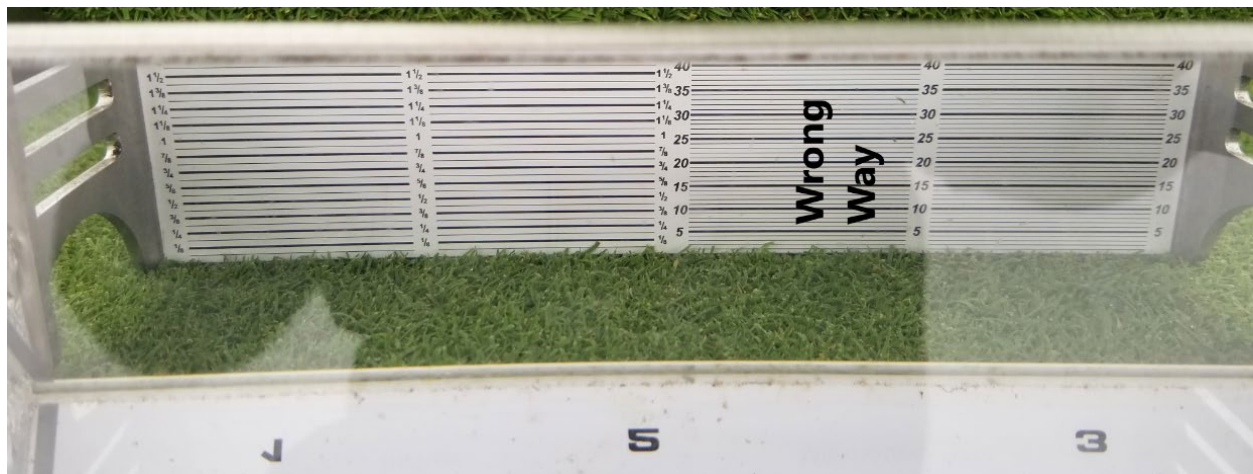

Turf pictures can not be taken more than six (6) months prior to your attesting date.

1. One close up picture using a prism gauge.

Correct view:

Incorrect view:

2. A second picture view must be taken 3 feet off the ground in direction of the mow.

Correct view.

Photos should be submitted to Diana Kern, Manager CTEM Certification and Certificate Programs, at dkern@gcsaa.org, at least 7 days prior to your attesting.
