

# Affidavit for Participation in an Environmental Stewardship Program

**NAME:** \_\_\_\_\_ **MEMBER #** \_\_\_\_\_

To qualify for education points, the program must meet the following criteria:

- The program must be administered by a state or federal agency.
- The program must require the development and implementation of an environmental improvement plan, for example: an IPM program, an EMS (environmental management system), or a nutrient management plan. This plan must be approved by the governing agency each certification period.

Available Education Points:

- The initial certification is worth .50 education points; a recertification is worth .25 education points; a maximum of 1.0 education point per renewal cycle can be earned from this category of points.

Name of Program: \_\_\_\_\_

Date of Certification: \_\_\_\_\_

Initial Certification:

Recertification:

**Be sure to submit a copy of your certificate of completion and a description of the program and its requirements with this affidavit.**

**Send documents to:**
