

INTERNATIONAL

Thank a Golf Course Superintendent Day

CELEBRATION TIPS

Your golf course superintendent is key to the enjoyment and growth of the game.

On Sept. 14, 2021, International Thank a Golf Course Superintendent Day will give you the chance to join others around the world in thanking the person who makes the game better every day.

Below are a few easy ways you can thank your superintendent and his or her crew for all they do.

Early birds

Superintendents are usually at the course before sunrise, so help them get their day started right with coffee and donuts, pastries or other breakfast items for their special day.

Food for thought

If you aren't an early riser, then a lunch time or end of the day celebration also works. Pizza, a barbeque or any other of your maintenance team's favorites food will send the message that you appreciate their hard work.

Social cues

You can also say thanks in a more public manner with posts on the facility's social media, newsletter and website. Use the hashtag, #ThankASuper.

Give them a sign

Let golfers see how much you value your superintendent with signage around the course, club house and other public areas.

Fan favorites

Show you are a fan of your superintendent by giving them a gift card for their favorite store or activity.

Duly noted

Simple thank you cards may seem old fashioned, but hand-written notes never go out of style. Whether it's a heartfelt message from one person or an over-sized card signed by golfers, it's an easy way to show your thanks.

Special Day

Many cities and towns offer proclamations or commendations to honor individuals. Contact your local government for options to honor your superintendent for exceptional service to your community.

Spread the word

If you are hosting a special event during International Thank a Golf Course Superintendent Day, let the local media know, and they may provide additional recognition through coverage of the event.

If you need additional help celebrating your superintendent, contact the Golf Course Superintendents Association of America at 800-472-7878 or inquires@gcsaa.org.

Thank a Golf Course Greenkeeper Day

CELEBRATION TIPS

Your golf course greenkeeper is key to the enjoyment and growth of the game.

On Sept. 14, 2021, International Thank a Golf Course Greenkeeper Day will give you the chance to join others around the world in thanking the person who makes the game better every day.

Below are a few easy ways you can thank your greenkeeper and his or her crew for all they do.

Early birds

Greenkeepers are usually at the course before sunrise, so help them get their day started right with coffee and donuts, pastries or other breakfast items for their special day.

Food for thought

If you aren't an early riser, then a lunch time or end of the day celebration also works. Pizza, a barbeque or any other of your maintenance team's favorites food will send the message that you appreciate their hard work.

Social cues

You can also say thanks in a more public manner with posts on the facility's social media, newsletter and website. Use the hashtag, #ThankAGreenkeeper.

Give them a sign

Let golfers see how much you value your greenkeeper with signage around the course, club house and other public areas.

Fan favorites

Show you are a fan of your greenkeeper by giving them a gift card for their favorite store or activity.

Duly noted

Simple thank you cards may seem old fashioned, but hand-written notes never go out of style. Whether it's a heartfelt message from one person or an over-sized card signed by golfers, it's an easy way to show your thanks.
