Additional Notes

• Founders Course superintendent Travis Cook was recognized as the GCSAA's inaugural Emerging Leader Award recipient in January, 2022.

• A cool spring has resulted in less than desired density in the warm season turf, especially in the rough.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
