### Additional Notes

- Director of Agronomy Andrew Johnston designed the re-routing of the golf course.

- Since last year's event the 15<sup>th</sup> tee complex was shifted left about 40 yards. 150 trees have also been added to course.

- In June of 2020 a small lobe was added to back right side of No. 4 green to give a pin placement along creek.

- Club is the world's first golf club to commit to carbon neutrality by 2022.

- Club has hosted 14 Singapore Opens since 2005.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to nearly 19,000 members in more than 75 countries. GCSAA's mission is to serve its members, advance their profession and enhance the enjoyment, growth and vitality of the game of golf.
