### Interesting Notes

The par-3 No. 11 is considered to be a smaller version of the famous 17th hole at TPC Sawgrass, but with its own uniqueness. The 165-yard hole requires a short iron over water to a small island green.

Prior to being a golf course, the property was a dairy farm with two grain silos and a windmill, which are still existing on the property.

Previous events hosted by facility: 1985-2006, 2010-2015 FedEx St. Jude Classic

Course architect/date: Ron Prichard, 1987
