Additional Notes

- Golf course was overseeded with five weeks to grow in and prepare for CJ Cup.

- 2008 renovation included all greens, approaches, tees, bunkers and fairways, while adding a five-acre practice facility.

- When course was constructed in 1989 the surrounding area was rural desert, but with population increase, houses and businesses surround the property.

- Wildlife on the course includes mallards, blue herons, snowy egrets, road runners, hawks and a white swan.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 18,200-plus members in more than 75 countries. GCSAA's mission is to serve its members, advance their profession and enhance the enjoyment, growth and vitality of the game of golf.
