Additional Notes

• This tournament was typically played in May before moving to March in 2019 and has continued to be played in this month. This means the playing surface is the overseed.

• The 36-hole facility also includes Dye's Valley Course, which opened in 1987 and has hosted several Korn Ferry Tour events.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to nearly 19,000 members in more than 75 countries. GCSAA's mission is to serve its members, advance their profession and enhance the enjoyment, growth and vitality of the game of golf.
