Additional Notes

- The course has been overseeded (it was bermudagrass when the tournament was held in June of 2020).
- New tees were added on No. 2 and No. 5 and a newer tee will be used on No. 17.
- A new palm tree was added to No. 10 greenside bunker, which replaces an old pine tree that was lost several years ago.
- December temperatures were above average but there were numerous frosts in January, February and March. Rainfall had been below average until recently.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
