Drainage Conditions: Good

Turfgrass

Greens: Bentgrass / *Poa annua* .100"

Tees: Bentgrass / *Poa annua* .360"

Fairways: Bluegrass / *Poa annua* .360"

Rough: Bluegrass 2.5"

Additional Notes

- Last year the course experienced one of the worst winters in terms of damage as nearly 10 acres of tees and fairways had to be re-sodded or grown back in.
- This year weather has been great with a late season snowfall providing much needed moisture. Course wintered well with help of 9 feet of snow for protection during weeks of Christmas and New Year's.
- Course is just below 6,000 feet and it is not uncommon to have frost every month of the summer and 50-degree temperature swings.
- In 2020 banks on water's edges on No. 10, 11, 14, 15 were shaved to primary cut height.
