Additional Notes

- This is the 2nd-longest course on tour.
- More than half of the maintenance staff has been at the course since construction.
- Biggest challenge for Diaz and staff has been to get enough equipment on time for tournament preparation.
- Corales Golf Course is a part of the Puntacana Ecological Foundation program for conservation of the Ridgway's Hawk, a native of Hispaniola Island.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 20,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
