Additional Notes

- Inspired by the Women-in-Turf initiative at the USGA Women's Opens, 8-10 women in the industry will be on the maintenance volunteer team during the event.

- Chambers Bay will be the first municipal course to host the original three championships [U.S. Amateur (2010), U.S. Open (2015) and U.S. Women's Amateur (2022)].

- Chambers Bay was the first golf course in the state of Washington and in the Pacific Northwest to be certified by Audubon International as a Silver Signature Sanctuary in 2007.

- Chambers Bay encourages drought-tolerant turfgrass species/varieties.

- Area had a wet spring.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
