**Additional Notes**
• Hester started at the course as an intern in 2003. After a stint as the superintendent at Meridian Golf Club he returned as director of agronomy in 2019.

• Hester says the 100-year-old course still has the original grass.

more on next pages
• Renovation included a creek restoration in 2022, green restorations to original designs, bunker renovation, No. 8 redesign, tree reduction from 3,000 to less than 1,000 trees on championship course.

• Green restorations on 3, 4, 5, 7, 8, 10, 11, 14, 15, 16 and 17.

• There are new tee areas on holes 5, 8, 9, 12, 14, 15 and 16.

• Bunker improvements on 8 and 15.

• Bunker removal on 14, 15 and 16.

• Winter weather caused a lot of damage to the course. Hester said, “there was not an area of our course that did not experience some level of turf loss.”. He said it will take the entire season to get back to 100 percent. No. 17 fairway suffered 80% loss.

• Course flooded three times early in the season with more than 20 inches of rain through July.

• Wildlife on the course includes eagles, owls, hawks, coyotes, deer, wild turkey, raccoons, fox, bullfrogs, snapping turtles.

• Cherry Hills has hosted 14 previous championships, including two previous U.S. Amateur championships (1990 and 2012).

• The last event Cherry Hills hosted was the 2014 BMW Championship (FedEx Playoff).

Information on tournament co-host Colorado Golf Club is on next page.
