Tees: Platinum TE Paspalum .375"

Fairways: Platinum TE Paspalum .375"

Rough: Platinum TE Paspalum 2"

Additional Notes

- Royal Blue Golf Club is hosting this event due to the impact of Hurricane Dorian on the Abaco Club at Winding Bay.

- The club only learned it would be hosting 90 days in advance of the tournament. Fortunately the course is generally in nice enough condition that getting it ready for tournament play was not a huge task for the maintenance crew.

- The course recently switched irrigation sources from potable water to brackish water out of on-course lagoons.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 18,200-plus members in more than 75 countries. GCSAA's mission is to serve its members, advance their profession and enhance the enjoyment, growth and vitality of the game of golf.
