Additional Notes

- Audubon Cooperative Sanctuary for Golf Courses
- The 36-hole facility includes the Canyons Course designed by Pete Dye. That course hosted the PGA Tour Champions San Antonio Championship from 2011-15.
- The Canyons Course also hosted last week's Korn Ferry event.
- Native grasses and plants are prevalent throughout the course.
- Bunkers reflect a more natural design with the edges emulating the canopy of the native oak trees.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 75 countries. GCSAA's mission is to serve its members, advance their profession and enhance the enjoyment, growth and vitality of the game of golf.
