Additional Notes

- After the 2022 drought, the course suffered winterkill throughout the property and cool spring has affected warm-season grass growth.

- A new tee box on No. 16 added 35 yards to the hole.

- In the 1940s this property was the Navy Air Technical Training Center for the Norman Naval Air Station.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 19,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
