

## **Fastenal Partners with GCSAA to Simplify Your Supply Chain**

Running a golf course means juggling countless priorities—your supply chain shouldn't be one of them. That's why Fastenal, a global leader in industrial distribution, is partnering with the Golf Course Superintendents Association of America to deliver smarter, more efficient solutions.

Starting February 2026, GCSAA members can access **exclusive discounts** and a streamlined ordering platform for everyday MRO and industrial supplies. With next-day drop-ship options, Fastenal helps you cut costs, reduce downtime, and keep operations running smoothly—without overstocking or wasting resources.

Simplify procurement. Control expenses. Free up your team to focus on what matters most: your course.
