QUALITY, FUMIGATED, FLORIDA GROWN, CERTIFIED TURFGRASS!

About Us

Star Turf Farms is Florida's most trusted, go-to grower since 1969, helping keep Florida green! Our unique value proposition is simple: quality. We have been fortunate to build a strong family business in Florida through our unwavering commitment to quality in everything we do.

Based on the quality of our products, services, and relationships, our family business, Star Farms, has proudly grown since 1969 to become one of Florida's largest farmland owners and grower of superior turf.

MISSION

To grow, harvest, deliver and install the highest-quality turf to owners and developers of large-scale golf, sports, commercial and residential properties throughout Florida.

VISION

To keep Florida green.

As part of our commitment to the state, we have called "home" since 1969, we are dedicated to serving as Florida's trusted, go-to turf grower and installer with a vision of "Keeping Florida Green."

Florida-Grown Excellence Meets Quality Service

Star Turf Farms is Florida's top choice for high-quality turf. We proudly grow it on our family farms and install it on golf and sports properties all over the state. Whether you're overseeing a large or small project, our expert team offers secure contracts and expert installation services.

SOD FARMS

Our family's entrepreneurial spirit and traditional values of service, quality, ethics and loyalty to our valued clients and team members have driven our growth since we purchased our first parcel of land in 1969 through today when we are distinguished as one of Florida's largest private farmland owners with 30,000 acres in five counties statewide.

TURF VARIETIES

We are proud to offer 12 exciting varieties of turf to our customers! For more information on Star Turf Farms and our varieties please visit: www.starturf.com or visit us at 2026 Orlando GIS Show Booth #3855!
