GCSAA’s success in achieving its mission depends on the involvement of volunteer members. To ensure that members are able to serve effectively, without regard to personal circumstance, the association provides significant support to GCSAA board members.

Note: For purposes of all the board policies and standard operating procedures, the Immediate Past President shall be considered an officer.

Fiduciary Responsibilities

Service on the Board of Directors of GCSAA is a position of trust bestowed upon an individual by the voting members of this Association. It is a position that requires that an officer and director conduct themselves in a manner consistent with a position of integrity and trust. The membership of GCSAA must be assured of the integrity and objectivity of present and future board members in policy matters on behalf of all the membership.

Fiduciary Duties

Directors and officers of GCSAA stand in a fiduciary relationship to the organization. This relationship imposes upon them a duty to manage the affairs of the organization in the best interests of the organization and its members. Their fiduciary duties include an obligation to keep themselves informed of the organization’s affairs and to exercise reasonable diligence in managing the organization’s business for the benefit of all members.

1. **Liability.** No director or officer shall be liable for the acts or failure to act of any other member, director, officer or employee of GCSAA. Nor shall any director or officer be liable for monetary damages for breach of fiduciary duties, provided that such liability does not arise: (a) from breach of a director’s duty of loyalty to GCSAA, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law, or (c) from any transaction from which a director derived an improper personal benefit, or as otherwise set out in K.S.A. §17-6002(b)(8) and §60-3601.

2. **Liability Coverage.** The association shall purchase an insurance policy of professional liability that covers all officers and directors.

3. **Confidentiality.** Directors have a duty not to disclose the confidences of fellow directors, discussions from any board meeting and how any director voted on any issue to any person so as to impair or undermine the ability of the Board of Directors to properly function.

4. **Unanimity of Voting.** The Board of Directors of GCSAA have a fiduciary responsibility not only to the members of the association, but also to the members of the board itself. Therefore, when propositions or motions are made, each director shall be given adequate time to express their opinion either for or against such proposals. When the question is called and vote is taken, each board member shall have the option of voting yea, nay or abstaining. Board members have an obligation to support the vote of the body during and after the meeting even if the vote is contrary to the director’s point of view.

5. **Conduct Concerning Commercial Endorsement.** In an effort to avoid any appearance of impropriety or the loss of the ability to make objective decisions every board member should absolutely refrain from using their position to endorse commercial products of any kind. It is also declared to be a policy of this
6. **Ineligibility for Awards.** Members of the Board of Directors and their families (including grandchildren) are not eligible to receive awards or scholarships or win contests sponsored or administered by GCSAA or The Environmental Institute for Golf during their board service. This ineligibility also applies to Board of Directors’ significant others and their families.

**Board Meeting Minutes**

Board members shall receive a copy of the minutes of each board meeting during their board tenure.

1. It shall be the responsibility of the Secretary/Treasurer of GCSAA to promptly notify the Board of Directors of all board actions between board meetings, including the tally of individual votes and recording such actions into the minutes of the next board meeting.

2. Voting members of GCSAA shall be permitted, for a purpose related to the business of GCSAA, to view the minutes of any board meeting in person at GCSAA headquarters. Members shall not be permitted to make copies of any board meeting minutes or remove the minutes from the headquarters.

**Finance Committee**

The primary purpose of the Finance Committee is to spend dedicated time, periodically throughout the year, on the financial oversight of the organization. This will allow more in-depth discussion on related issues.

1. **Composition.** The committee will consist of a maximum of the following individuals:
   - The Secretary/Treasurer (Chairman)
   - The Vice-President (prior year’s Secretary/Treasurer);
   - The two Directors who have the greatest tenure on the board, excluding the Immediate Past President;
   - Directors campaigning for the office of Secretary/Treasurer;
   - The President and Chief Executive Officer (ex-officio); and
   - The Chief Financial Officer (staff liaison).

2. **Meetings and Communication.** It is anticipated that the committee will meet every quarter, principally by conference call. The chair will determine the need for any physical meetings. This approach will enable better management of volunteer time and travel, as well as the professional fees of the independent auditor and investment consultant. Electronic communication will be the preferred means of communication.

3. **Duties.**
3.1. Apply the “prudent person rule,” or simply good business judgment in all financial oversight matters.

3.2. Annually review all significant aspects of financial and investment policy, including among others, financial reporting policies, allocation and investment vehicle guidelines, and others.

3.3. Annually review the scope of the independent auditor’s work (certified public accounting firm), previous year’s performance, their reports, findings and recommendations. Make appropriate recommendations to the Board regarding any engagement of the independent auditor.

3.4. Review investment performance on a quarterly basis, and consider meeting with individual investment managers on a rotating basis.

3.5. Look to the independent auditor, independent investment consultant and CFO to identify issues that warrant consideration, and then give due deliberation.

3.6. Over an appropriate time horizon, three to five years, evaluate the performance of the independent investment consultant and managers against established benchmarks.

3.7. Communicate well-reasoned findings and recommendations to the Board of Directors so that appropriate actions can be taken.

3.8. Establish a disciplined agenda, and schedule for the year, to address recurring quarterly and annual issues. This still allows for spontaneous issues to be addressed as needed.

**Membership Dues Review**

1. The Board of Directors shall review membership dues for Classes A, Superintendent Member and C a minimum of every two years.

2. The review shall occur as part of the annual business plan and budget setting process.

3. Factors to be considered in the review process are other non-dues revenue sources, the association’s financial position and other general economic projections.

4. Projected amount and use of the investment reserves will be emphasized in the review.

5. The preferred range for the potential dues increase would be calculated using the published CPI for the preceding 24 months, rounded to the nearest $5. However, if the need exists, a potential dues increase could exceed the 24-month CPI amount.

6. Any adjustment to these classes of dues would require a vote at the following year’s annual meeting.
7. The decision and communication of the dues increase must be timely in order to comply with notice of annual meeting provisions. The 24-month CPI shall be reported at the annual Chapter Delegates Meeting, and any potential dues increase shall be presented for discussion at the Chapter Delegates Meeting.

8. The targeted implementation date would be May of the year in which the annual meeting is held.
Campaigns and Elections

GCSAA recognizes the importance of providing the membership with information about the board’s needs, the direction of the organization and candidates’ qualifications so that the members can make informed choices during the election process.

Campaign Policies and Procedures

The following policies and procedures provide guidance for GCSAA board members, candidates and chapter delegates in conducting appropriate campaigns.

1. Campaign Calendar. Those nominated for office shall not actively campaign until the Nominating Committee has formally approved and submitted a list of candidates to the GCSAA Secretary/Treasurer for confirmation.

2. Campaign Events. Board candidates and all voting delegates shall attend the annual Chapter Delegates Meeting.

   2.1. Chapter Delegates Meeting. All candidates selected by the Nominating Committee shall attend the Chapter Delegates Meeting. Candidates will be provided a forum to give a short presentation and an extended question-and-answer session with the chapter representatives. Candidates will be allowed to distribute campaign literature only during the question-and-answer portion of the “Meet the Candidates” session.

3. Communication and List Distribution. The following information will be provided to candidates and delegates to promote communication between delegates and the board candidates.

   3.1. Delegates Meeting. GCSAA will ask participants in the Chapter Delegates Meeting to supply the names of their chapters’ voting delegates so that candidates can have the opportunity to communicate to the voting delegates before the chapter’s annual meeting.

   3.2. Voting Delegate Lists to Candidates. GCSAA headquarters will furnish all candidates with rosters of both voting delegates and alternate delegates as soon as they are available. The rosters will be provided as a data file with preferred mailing addresses, e-mail addresses and phone numbers. Upon request, GCSAA will supply any candidate with one set of mailing labels in addition to or instead of the data file.

   3.3. Voting Strength Reports. Delegates and chapters will be provided their voting rosters the first week of January, as well as a summary of all chapters’ voting strengths. Candidates also will be provided a summary of chapters’ voting strengths the first week of January.

4. Delegates’ Responsibilities. Delegates should contact the candidates by phone or e-mail to ask specific questions in order to evaluate the merits and qualifications
of each candidate. Delegates are encouraged to respond to candidate phone calls and e-mails. Delegates are encouraged to provide an e-mail address or the e-mail address of another chapter representative to GCSAA and be included on the candidate Listserv.

5. **Board Conduct During Campaigns.** In order to facilitate harmony on the GCSAA Board of Directors, and to promote a positive image of the board to membership, no board member shall make any statement or statements regarding the “board’s position” regarding the relative merits of any candidate for GCSAA office.

**Annual Meeting and Elections**
GCSAA annual meetings will be held in conjunction with the conference and show with the time and location to be designated by the Board of Directors. In the event that a conference and show is not held in a given year, the board will designate a time and place for an annual meeting in that year.

1. **Required Attendance.** All candidates and delegates shall attend the GCSAA Annual Meeting held each year at conference and show. Delegates shall represent and cast the votes of their chapter.

2. **Assignment of Proxies.** Members of the Board of Directors shall not solicit nor cast any proxy votes for bylaws issues or candidates. If a board member receives a proxy, they shall give the proxy to their chapter.

3. **Taking Office.** Officers and directors elected at the annual meeting shall take office immediately following adjournment of that meeting.

**Resignation Policy**
Any board member who resigns their office shall relinquish all rights and privileges of board membership, including the chairmanship of any and all committees.

1. **Committee Appointment Option.** The president has the prerogative to appoint a resigning board member to fulfill committee service as a committee member.

2. **Responsibility for Charges.** Any charges to a GCSAA creditcard by a resigned board member shall be the personal responsibility of that individual.

3. **Appointment of Successor.** The president shall appoint to the Board of Directors a successor for any vacancy on the Board of Directors. Such successor shall be approved by a majority vote of the Board of Directors at the next board meeting.
**Representation and Travel**

It will be the responsibility of board members, and sometimes their significant others, where appropriate to represent the association.

**Board Representation Policy**

The attached list of “GCSAA Board Representation at Events” indicates who will represent the association at particular events. If any issues are known to be of particular interest to the constituents at the event, staff will provide background information or talking points to the board members attending the event, as appropriate.

1. A majority of the entire Board of Directors must approve any representation not listed. If standard operating procedures for such approval are not followed, the officer or director may be held personally accountable for the expenditures by a majority vote of the entire Board of Directors.

2. Because events typically attended by the President may change dates from one year to the next, the President will represent the association only once per event, unless otherwise approved by a majority vote of the entire Board of Directors.

3. Substitutes will be selected in the order of Vice President, then Secretary/Treasurer. If none of the officers can attend, a substitute will be chosen with approval of the majority of the board of directors.

4. GCSAA will pay expenses for board members’ significant others to attend events and meetings as specified on the attached list. If a substitute is selected to represent the association, this policy applies to the substitute’s significant other. Other expenses for family members or guests of board members will not be paid by GCSAA. Board members will receive 1099 forms for all significant other travel expenses that are paid by GCSAA.

5. The President’s significant other may stay at GCSAA’s rental house at the Masters with the President. The attached list and annual budget approval process determine whether GCSAA or the President pays for significant other travel expenses.

6. The President may invite additional business guests to stay at GCSAA’s rental house at the Masters, within the limits of space available. The officers must approve any and all such guests before an invitation may be issued. All guests of the GCSAA President shall be responsible for making their own travel arrangements, paying for all their own expenses and respecting the privacy of any official GCSAA meetings that may be held at the house.

7. For each board meeting, each director and officer must prepare a brief report detailing the business purpose and outcomes for any travel that was an expense to
GCSAA since the previous board meeting. The outcomes should also include the benefits derived from the significant other’s attendance at events and meetings.

8. The Board of Directors and the Chief Executive Officer may sit on the stage for all opening ceremonies of the GCSAA conference and show, until the appearance of the keynote speaker. Refer to the Standard Operating Procedure for GCSAA Conference & Show VIP/Special Guest Registration and Expenses.

International Invitation Policy
When GCSAA is invited to participate in an international event, the Board of Directors will review the CEO’s recommendation when deciding whether or not to send a board member, using the following criteria:

1. Which association or organization is extending the invitation?
2. What is the significance and prestige of the event?
3. What opportunity exists for GCSAA to interface with current members, potential members and other officials during the event?
4. What additional business could be advanced while representing GCSAA at the event?
5. What are the time, budget and availability constraints?

Travel and Expense Policy
Travel arrangements for GCSAA business should be made through GCSAA’s official travel agency to ensure the best rates, service, central billing and coordinated arrangements for groups of travelers. GCSAA will pay the expense for airline club memberships for officers and directors during their terms of office. GCSAA will reimburse the board member’s actual and reasonable expenses incurred during travel on association business per the policy guidelines.

1. No reimbursement will be issued without a properly authorized expense report. Expense reports are due within 30 days after the last date of the trip.

2. Individuals traveling on GCSAA business should request and consider the lowest available upgradable airfare in the appropriate class of service. Board members may request more convenient flight times to minimize layovers and time away from work. Board members are not expected to stay over simply to obtain a lower airfare.
   a. Board members and their significant other have the option to upgrade to first-class only by using any previously earned upgrades or frequent flyer miles, except that officers may upgrade to first-class tickets at GCSAA expense, using the most cost-effective method available, when traveling...
on the same flight as their employer in instances when GCSAA pays for first-class travel for the employer.

3. Expenses associated with changing tickets, except to fulfill the requirements of the board member’s employer or unforeseen circumstances, will be the responsibility of the individual traveler. GCSAA will pay for ticket changes for earlier flights when a meeting adjourns earlier than expected.

4. Board members who rent cars while traveling on association business should carry GCSAA’s Automobile Insurance Identification card. Collision damage provisions or programs offered by car rental companies should be waived.

5. Newly elected directors will be reimbursed for their expenses starting after the annual meeting and will be reimbursed for additional travel expenses from that point on to their home.

6. Board members are encouraged to minimize meal expenses. Expenses for meals, cocktails, wine, mini-bar, service charge, tip, tax, etc., should not exceed $75 per day. The $75 per day maximum shall be considered cumulative over the span of each event. The per diem should be reviewed periodically to insure it is a sufficient amount.

7. Expense reimbursement for those items considered income by the I.R.S. will be grossed-up for taxes using a standard thirty-three percent (33%) income tax rate. The honorarium presented to the Past President is an exception and will not be grossed-up for taxes.

8. GCSAA will not reimburse or be responsible to board members or significant others for expenses such as child care, pet care or other costs associated with being away from the home or workplace.

9. GCSAA will pay for caddy fees at GCSAA-sanctioned events.

10. Each board member may receive up to $200 spending allowance for the following events that they attend:
    - Two Significant Other Attended Board Meetings
    - Conference and Show
    - Canadian International Conference and Show
    - Three majors (Masters, U.S. Open Championship and PGA Championship)
    - BIGGA Conference and Show
    - Ryder Cup

No portion of the allowance is transferable to another event. This allowance is for personal use at the event.
GCSAA Credit Card Policy
GCSAA credit cards are issued to each board member for GCSAA purposes only. Board members may spend their own funds or use their own or GCSAA credit cards while traveling on GCSAA business or performing responsibilities on behalf of GCSAA.

1. The Board Event Manager will prepare a report of any charges more than 30 days old that have not been reflected on an expense report. This report will be sent to the board member to assist in filing the expense report.

2. If no expense report is filed within 30 days of receiving the report from the Board Event Manager, along with a copy of the credit card statement, the CFO and/or Secretary/Treasurer will contact the board member to discuss resolution or other actions to be taken, including possible suspension/cancellation of the board member’s credit card.

Entertainment Expense Policy
On occasion, it may be appropriate for an officer or director to incur entertainment expenses for a bona fide business purpose while representing GCSAA. Examples include meals and social events that further the mission, vision, goals and established policies of the association. Each board member should refrain from any activity that may detract from or give the appearance of detracting from the mission, vision, goals and established policies of the association.

1. The President must approve these occasions before the expense can be approved.

2. Should any director or officer violate this privilege, such privilege may be suspended by a majority vote of the entire Board of Directors, and any subsequently incurred expenses will be the individual’s personal responsibility.

Travel Accessory Policy
The association provides luggage and accessories to ensure that board members traveling on GCSAA business project a polished and professional image that reflects well on GCSAA and the golf course management profession.

1. Each board member will receive travel accessories (with GCSAA logo) that meet their individual needs upon election to the Board of Directors. Standard travel accessories include:
   - 50” mobile garment bag
   - 22” deluxe mobile traveler
   - Overnight light garment bag
   - Computer-friendly portfolio or briefcase
   - Golf bag with travel cover
   - Golf accessories to include umbrella, head covers and shoe bag

2. Each item of the travel accessory set can be replaced as needed throughout the individual’s term on the Board of Directors. The board member may purchase
replacement items on their own to include pieces that are appropriate for travel needs, or the Board Event Manager can provide a replacement identical to the original piece. The Board Event Manager should consider holding in reserve some luggage with the GCSAA logo to provide to the board when replacements are needed. Replacement costs should not exceed an average of $1,800 over a three-year period.

**Clothing Allowance Policy**

The association provides clothing allowances, in lieu of uniforms, to ensure that board members representing GCSAA project a polished and professional image that reflects well on the association and the golf course management profession.

1. Each officer will receive a $1,500 annual clothing allowance.

2. Each director will receive a $1,000 annual clothing allowance.

**Official GCSAA Stationery Policy**

The association provides board members with personalized, GCSAA-logo business cards and monarch stationery denoting their office, to ensure that they project a polished and professional image that reflects well on GCSAA and the golf course management profession.

1. The official GCSAA letterhead paper listing the Board of Directors should be used only for official, authorized purposes. Officers are delegated certain responsibilities and authorities by the bylaws of the association. An officer may use official letterhead only for matters that are within the scope of their authority as granted by the bylaws.

2. A director has no authority as an individual to speak for the association. Only the Board of Directors as a body has such authority, unless there has been specific delegation of authority, by resolution of the Board of Directors, to that individual board member.

3. Individual board members may use the personalized, GCSAA-logo stationery for any routine correspondence concerning association matters.

4. The association provides past presidents retiring from the Board of Directors one order (quantity 500 each) of stationery, second sheets, envelopes and business cards. Past presidents may order additional supplies of stationery and business cards from GCSAA at no cost.

**Standard Operating Procedures**

1. **Approval of Board Representation at Events.** The annual operating budget shall include travel and expenses for the events and participants listed on the “GCSAA Board Representation at Events” attachment.
1.1. A detailed list must be placed in the budget for any event not specified in the attached list. These events must be clearly identified in the budget for approval by the Board of Directors.

1.2. After the budget is approved, additional board travel should be clearly documented, clearly identifying the purpose of the additional travel (e.g., the presence of additional board members would be advantageous at a listed event, or it would be beneficial for GCSAA to be represented at a non-listed event).

2. **Masters Housing.** The GCSAA officers and Chief Executive Officer shall be guaranteed space at the house.

   2.1. Other current GCSAA board members and key staff who are conducting GCSAA business at the Masters shall have first priority for lodging at the GCSAA house for the duration of their official GCSAA business.

3. **Officer and Travel Reports.** Officer and travel reports are to be submitted, in the appropriate format, to headquarters 30 days prior to all board meetings.

4. **Evaluation of International Invitations.** The CEO shall be responsible for completing all appropriate research and making a recommendation to the board about whether it would be appropriate for a board member to attend. The CEO will make decisions regarding staff attendance.

5. **Travel and Expense Procedures**

   5.1. Travel requests should be initiated as early as possible in order to secure the lowest cost possible.

   5.1.1. Reservations will be confirmed and tickets issued the same or next working day after receipt of confirmed travel preference.

   5.1.2. Tickets will be mailed to board members assuring delivery at least one week prior to departure. Otherwise, e-tickets will be sent directly from the travel agent to the board member via fax or e-mail.

   5.2. If a net savings can be secured by leaving the hometown a day early or by returning a day late (in order to obtain a cheaper airfare), GCSAA will pay for the additional night’s lodging and related meals and other expenses. Otherwise, lodging and other expenses associated with early arrival or late departure will not be reimbursed and will be the responsibility of the individual traveler.

   5.3. Board members may reserve rental cars for ground transportation on GCSAA trips. Cars should be rented from GCSAA’s official car rental company whenever possible.

   5.3.1. The Board Event Manager will arrange appropriate car-pooling for functions attended by more than one board member.
5.4. The following guidelines apply to all board expense reports:

5.4.1. Receipts must accompany all expenses over $10. All expenses such as parking, tolls, taxis, etc., under $10 must be properly explained.

5.4.2. Itemized statements from hotels, car rentals, etc., must be submitted with the expense report. Credit card receipts only are not acceptable. If the hotel statement is not available, due to master billing, a note should be made on the expense report. The Board Event Manager will provide a copy to the board member when the master bill arrives for payment.

5.4.3. Hotel statement charges that are not reasonable and customary will not be allowed. Applicable laundry, telephone and parking expenses will be reimbursed.

5.4.4. For meals, entertainment and meeting expenses, the names, titles and company names of those attending should be listed, along with the business reason for the expense and the nature of the business discussion.

5.4.5. Recommended gratuities are 15 percent for food and beverages (maximum 20 percent for exceptional service or some special occasions), $2 per bag for skycaps and bellhops and 10 percent ($1 minimum) for cab drivers. Tips for other services should be kept within fiscal guidelines.

5.4.6. Personal auto usage is reimbursed at the prevailing “per mile” Internal Revenue Service rate. This reimbursement policy releases GCSAA from any liability or fiduciary responsibility to the individual using their own vehicle for GCSAA business. The individual traveler is responsible for maintaining proper insurance coverage and satisfying the deductible and any further claims against them as the result of an accident or traffic violation.

5.4.7. Mileage in excess of the cost of airfare to the same city will not be reimbursed.

5.4.8. Reimbursements for alcohol will be made for reasonable consumption. This is a matter of professional image and appropriate use of the organization’s financial resources.

6. **GCSAA-Logo Stationery Delivery.** Personalized, GCSAA-logo stationery will be supplied to officers, directors and past presidents within one month after the order is received. Officer candidates who are running unopposed will receive business cards denoting their new title immediately after the election, and stationery denoting their new title as soon as practical after the election. The past president will receive his/her past president stationery within one month after retiring from the board.
